

Fires in the Oakland - Berkeley Hills

The October 1991 "Tunnel" fire in the Berkeley- Oakland Hills provided the impetus for the development of the Hills Emergency Forum. However, it was not the first major urban-wildland intermix fire in this region. Historically the East Bay has proven prone to wildland fire.

The area's recorded fire history shows 15 major fires since the first fire documented in 1923. When mapped it becomes apparent that the fires often reoccur in the same general areas and show similar environmental conditions.
